*THE GRADUATING CLASS
OF
WM. L. DICKINSON HIGH SCHOOL
PROUDLY PRESENTS
THE 1980 GNOME*

As we went through our years in Dickinson, we left behind memories. We also will leave behind our mark, this yearbook, filled with places and faces we will long remember.

We dedicate this Gnome to a man whose lively vigor has become an integral part of our school, Mr. Genaro Maffia. He has rendered long years of service as our ever-present athletic director and dean. He gave his best in instilling interest in sports, always working to keep school spirit alive. "Thanks Maff."

To Mr. Maffia, the 1980 Gnome.

FACULTY

BATTLESON

Dear Mary Ellen,
Best wishes.
R. Roggenstein

Dear Graduate,

It has been a pleasure to know and serve you. I'm sure you have enjoyed your stay with us. I know that you have grown mentally, physically and morally during your years at Dickinson High School.

Always remember your education is a life long process. Apply what you have learned to solve future problems. If you should meet failure, take it as a temporary setback. Failure can be and is profitable, as long as we learn from our past mistakes. The world you are entering is far different than the sheltered halls of Dickinson. You will meet and conquer many challenges in your lifetime, as long as you have confidence in yourself.

In closing, I wish you success and happiness all the days of your life.

Very truly yours,

Robert J. Roggenstein

Parents*

You have entered this school as a teacher, when we entered as freshmen. During these four years we have come to know you as our friend. You have helped us when we needed it most, especially during our senior year. Your constant teaching and guidance have helped all of us grow. In a special way you brought out the fun and excitement that is Senior Year. With your cheerful smile you have made our days brighter. Yes, we can all say, "Thank You," Miss Roberts. you made our Senior year one we will long remember.

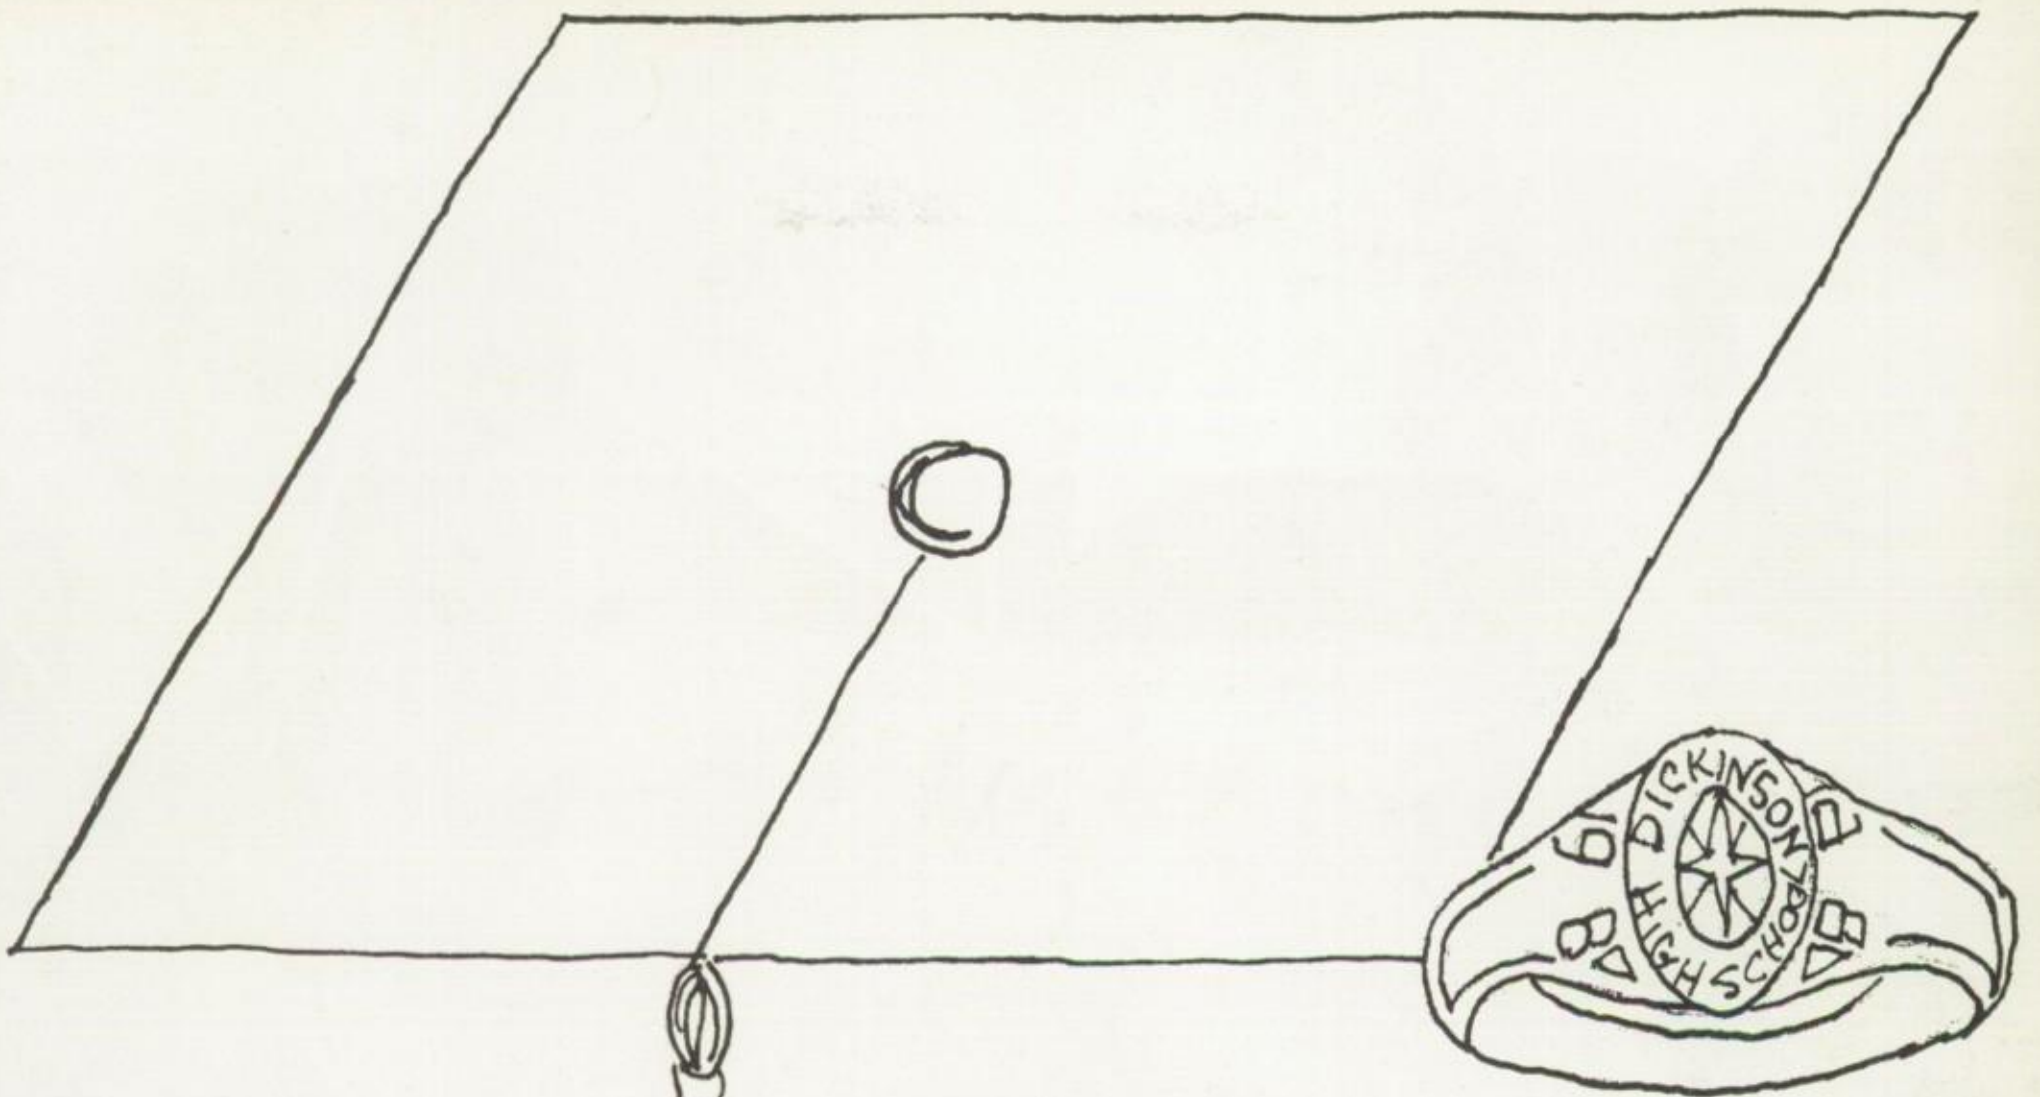

★ MR. DAVIS ★

These final years have been filled with its usual excitement and chaos. You Mr. Davis have provided us with the guidance we needed to unite ourselves into an organized body. Your ideas have inspired us into working together, making our senior year a success. With your help, we managed to realize our goals. You shared your time and encouraged us to get involved with class activities. You were there, always a friend. For all of this and much more, we give to you heartfelt thanks and sincere appreciation.

GNOME

Mrs. Mazzetti, the 1980 Gnome Staff would like to take this opportunity to thank you for preparing us for this year's job. We will always remember your friendly smile and warm sense of humor. We are deeply grateful for your help and understanding.

ADVISORS

MRS. P. BYRON

There are no words to describe how thankful we are to you, Mrs. Byron, for your inspiration and support. Though we've had our ups and downs, we appreciate all you've done for us. We wish you great success with next's years staff and we thank you for being a dedicated advisor.

TUMBLERS

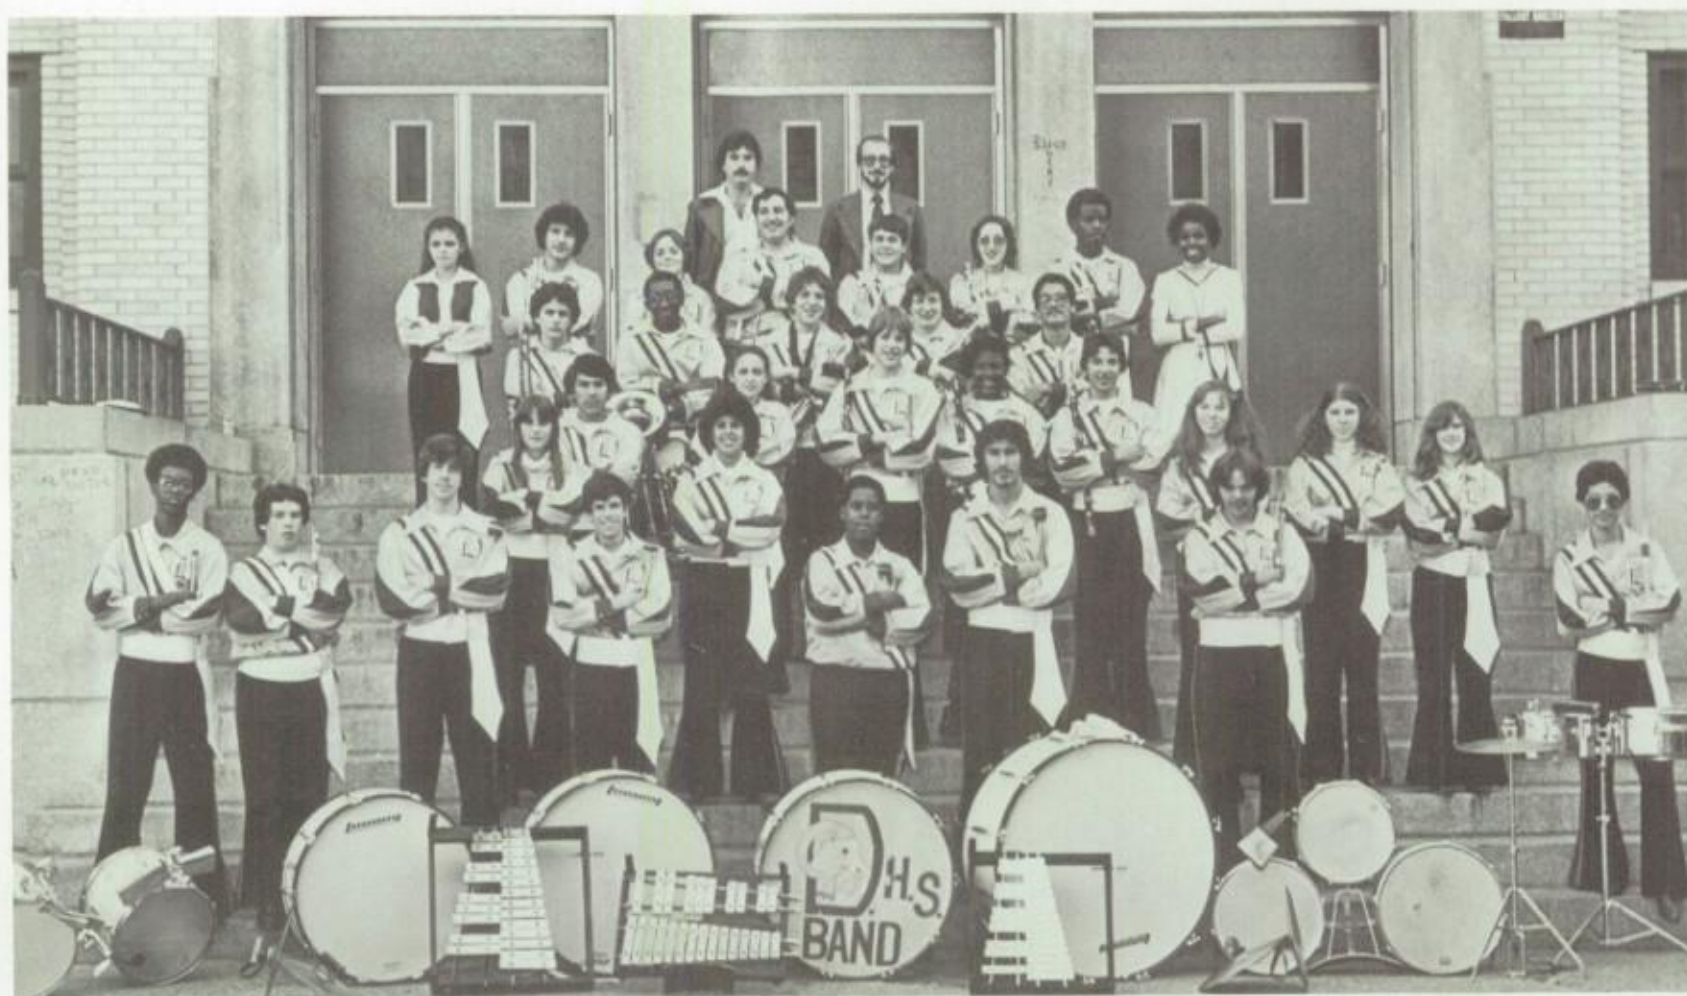

Many of us feel appreciative of others, but can not express our appreciation in words often enough. Simple words filled with warmth and glow of our sincere feelings, can enrich lives and sometimes make a vital change in a relationship.

Without the sincere efforts of all concerned, it would have been impossible to put into effect all of the improvements made this year.

Thank you Strutters, Twirlers, Color Guard, and Band Members, for all your valuable time and efforts. Thank you, Miss Oglesby, for your support, friendship, and hard work. Pete Salati, thank you for your warmth, guidance, and creativity, all contributing to our first successful appearance at the "First Hudson County Band Festival," and the finest and most exciting Football season ever.

Salvatore Unice

*Thank You and
God Bless all of you.*

CLASS HISTORY

FRESHMEN

On our first day in high school we weren't sure whether to be nervous or excited, but we were all disappointed when we were sent home due to the teachers' strike.

The day finally came when we had to enter Dickinson's crowded hallways. We were branded, "Freshies", given wrong directions and conned about elevator passes. Lonely and alienated, we couldn't wait for three o'clock.

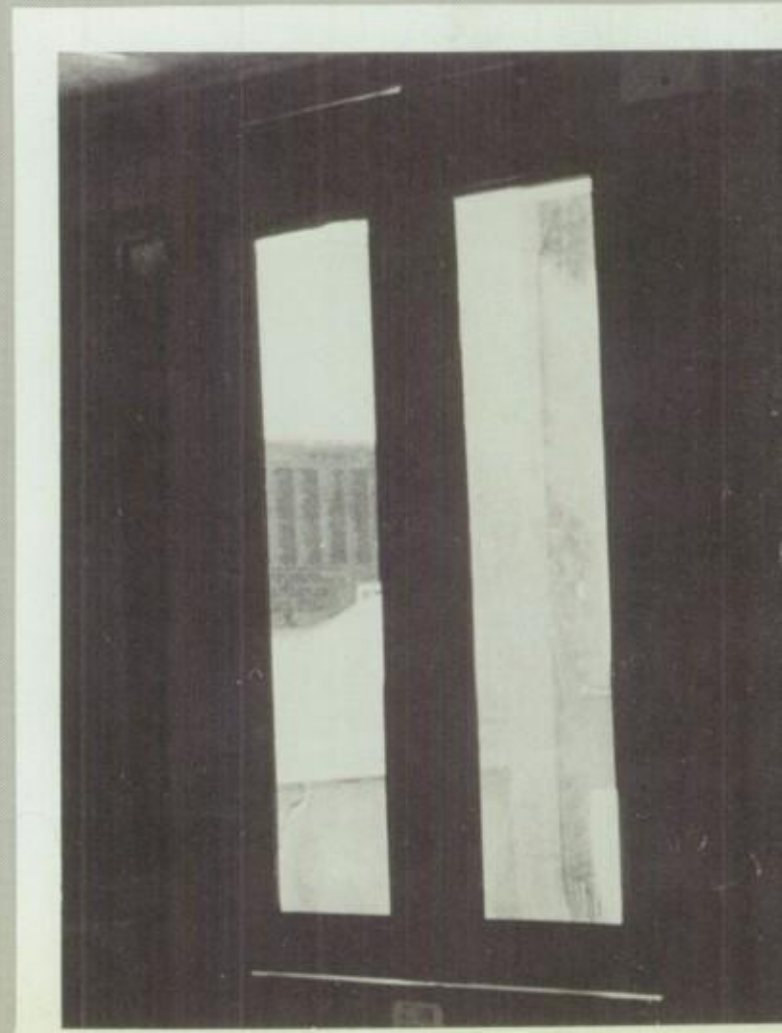

After the first month passed we were used to our schedules, the power failures and the fire drills. Most of the nervousness and insecurity disappeared. Though we didn't realize it at the time, our freshman year was our first step toward adulthood.

SOPHOMORE

As we entered Dickinson High School in this, our sophomore year, we were no longer "Freshies". It was our turn to misdirect the freshmen and sell elevator passes.

The fears that we had during the first year turned into curiosity. This year we became a part of the school. Involvement was the name of the game. We joined squads, clubs, sport teams and made new friends. There were better things to do! Homework became boring and the school day seemed to drag on. This was the year of fun and friendship, and will always remain in our hearts.

1980

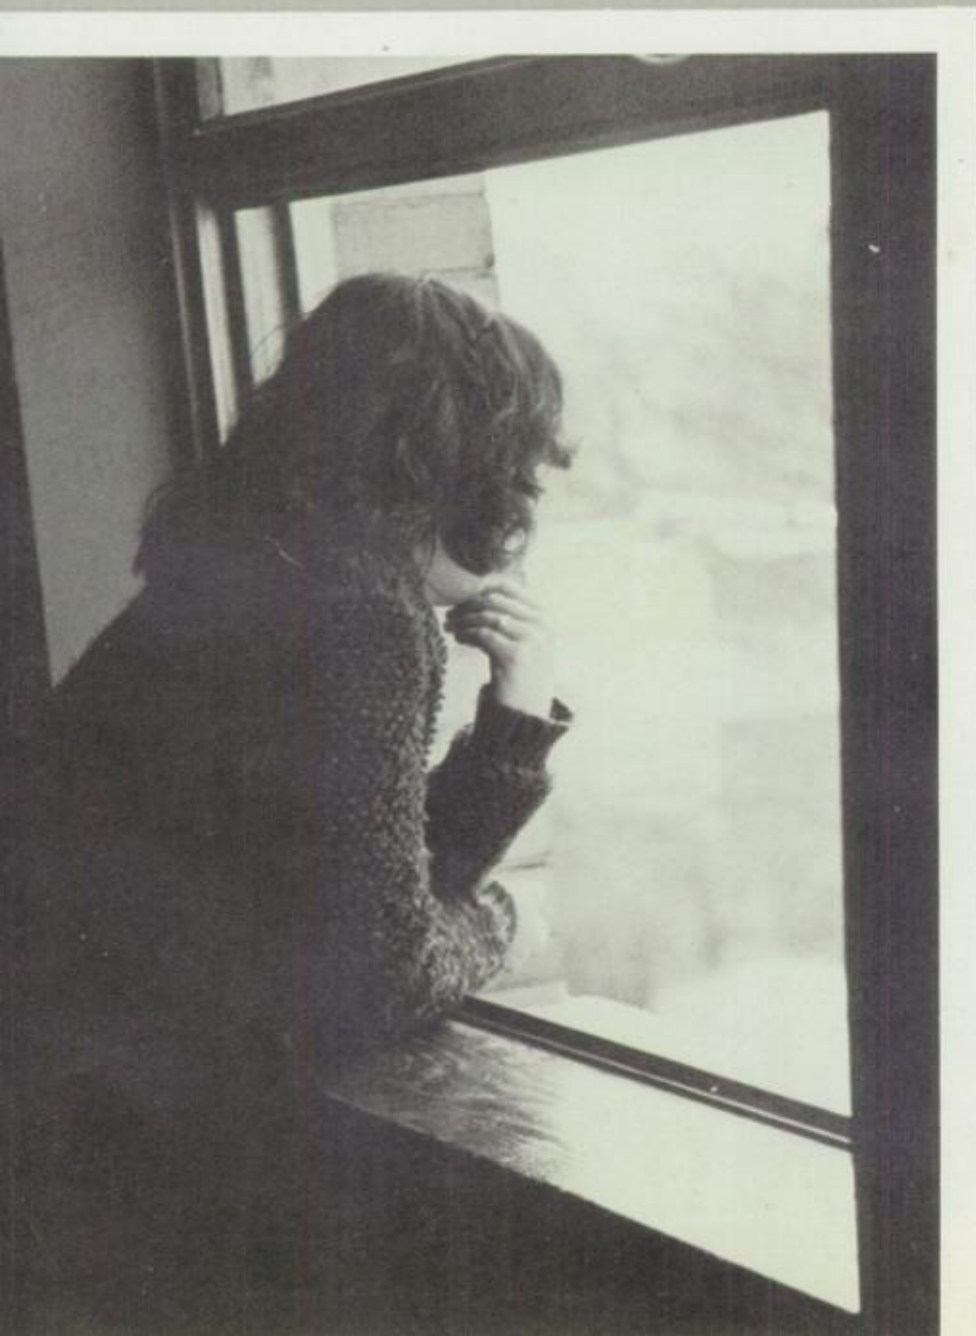

JUNIOR

It was September once again. The first day of school seemed routine. We, however, were made to realize that the years of freshman adjustments and sophomore growing were over. They seemed very distant.

This year we started to decide for the future. We were moving up the ladder, finally.

Things went smoothly except for a few mishaps; a student walkout, losing the Junior -vs.- Senior volleyball and football games. However, we did have some great and memorable times: the Paramus Park Mall incident, the Thanksgiving Day win over Prep and the Junior Prom. The Prom was held on April 6th, at the Casino-in-the-Park. It was quite a night!

On June 24, the Class of '79 graduated. We were officially seniors, finally at the top, and shooting for the stars.

SENIOR

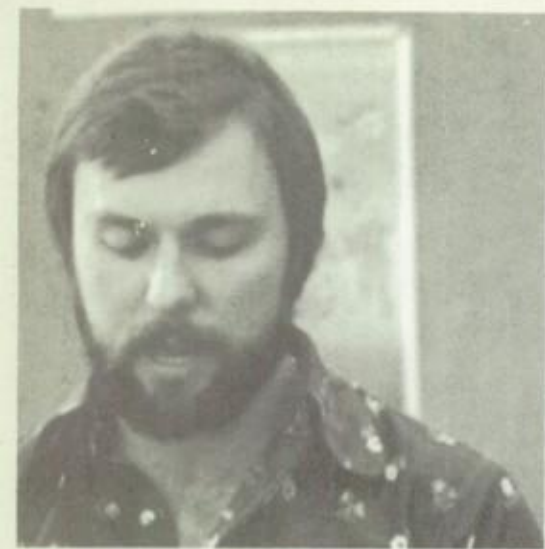

We made it!!! Even though we knew we had to wait until June, we felt free. We were no longer looked down upon. Instead, we were looked up to.

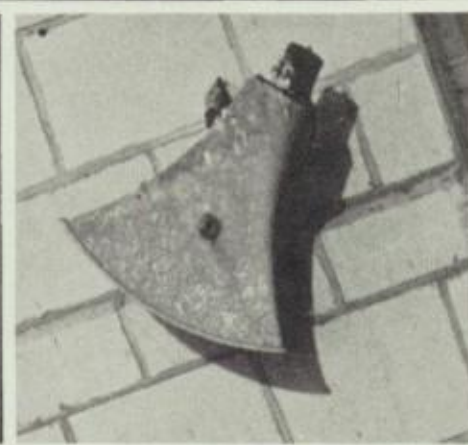

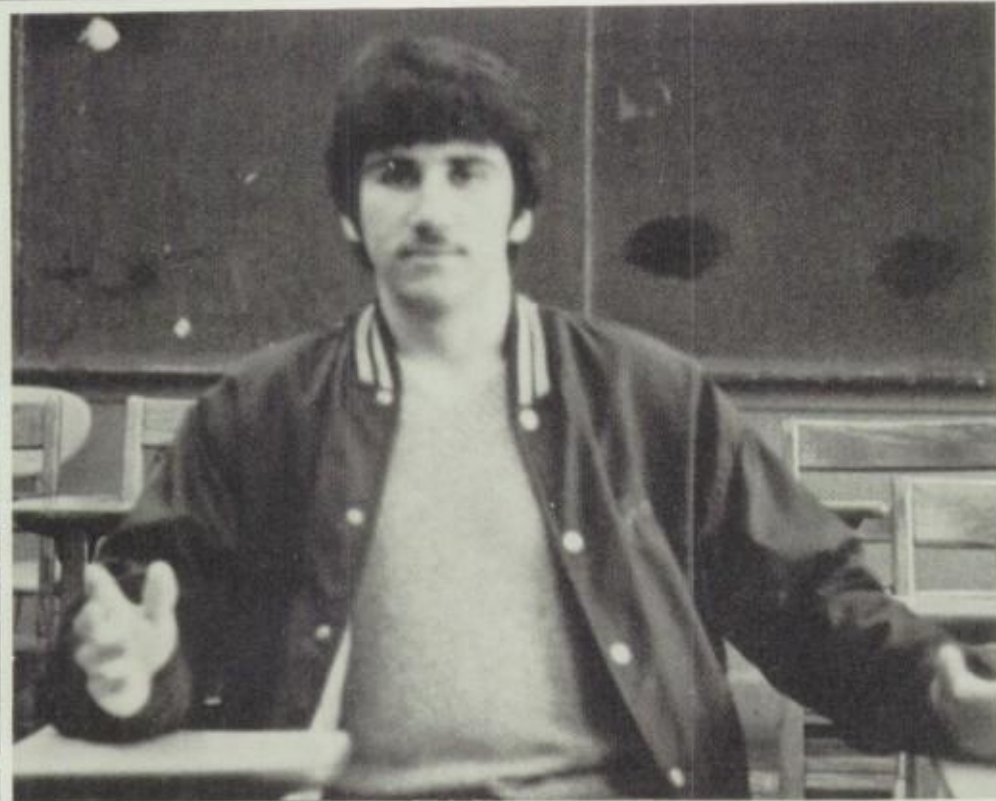

This was the year to make things happen. The picnic at Kruckers was fun. The senior play, "Damn Yankees," took shape slowly but surely. The prom was held at the Shalimar, on May 15. It was a night to remember.

The low spots were present when we lost the Juniors -vs- Seniors volleyball game. But we did win the Thanksgiving Day game over Prep, the last Dickinson versus Prep game.

Time seemed to fly. Graduation was upon us. It was a time for laughter as well as tears. We were happy to have come so far, yet sad, for we were going our separate ways, heading down different roads, perhaps never to see each other again.

Come what may, we will remember, "The Way We Were."

Class of 

RETROSPECT

The yearbook staff was considered one of the more exclusive clubs in high school. Little did we know when we applied in our junior year what awaited us. The primary excitement of being accepted slowly ebbed away as we were made to realize the hard task that laid ahead. Many people pulled efforts and ideas together into the making of this GNOME. As we look back in retrospect we remember the memories of a small room, missing pictures and addresses, falling index cards, alphabetical order, the deadlines and Andy Morrow. Many differences confronted us, some were clear others weren't. Yet through it all a finished product did emerge, its pages enfolded before you.
